By using zip code 41015 as a starting point in Google Maps the streets can be followed fairly easily. Alternate 1: Winston Hill Rd - this is the most cumbersome to explain, but if Taylor Mill Rd (Rt.16) is backed up, it will be a real time saver. 1) Turn RIGHT onto Winston Hill Rd - This is the second street on the right past Remkes - the first street on the right is Red Bud. 2) Turn LEFT onto Woodland. 3) Turn RIGHT onto Oakland. 4) Turn LEFT onto Roselawn. 5) Turn RIGHT onto Millstream (this is a steep hill). 6) Turn LEFT onto Old Taylor Mill Rd (Millstream terminates at Old Taylor Mill Rd.) 7) Normal directions from here - turn RIGHT onto Eagle Drive. Alternate 2: Mill Valley - Assuming normal traffic, this alternative is slightly quicker than Winston Hill and much easier to explain. 1) Turn RIGHT onto Mill Valley Drive (about 9/10ths of a mile from Old Taylor Mill Rd.) 2) Turn RIGHT onto Stone Hill Drive (second street on the right, at the top of the hill). 3) Turn LEFT onto Old Taylor Mill Rd (Stone Hill terminates at Old Taylor Mill) 4) Normal directions from here - Turn RIGHT onto Eagle Drive. This is just past Floral Hills Cemetery - Note: the marquis says Entrance to Woodland Middle School. Alternate 2A: Sunset This is only applicable if you intended to turn at Mill Valley but realized that you missed the turn. 1) Turn RIGHT onto Sunset. (Sunset is the second street on the right side after Mill Valley) 2) Turn Right onto Mill Valley. 3) Turn LEFT onto Stone Hill. 4) Turn LEFT onto Old Taylor Mill Rd (Stone Hill terminates at Old Taylor Mill). 5) Normal directions from here - Turn RIGHT onto Eagle Drive. This is just past Floral Hills Cemetery - Note: the marquis says Entrance to Woodland Middle School, Alternate 3: 1) Turn Right onto Old Taylor Mill Rd (Just past the Funeral Home) 2a) Turn Left into Scott H S then take a quick right to back of building to field ....or 2b) Go past the main entrance to the HS (2a) and turn left onto Eagle Drive.
