Reviewed the minutes from the February 17, 2002.

Discussion on correcting typos.

Ask for motion to accept.

Motion to accept by Tim Prieshoff

Second Mark Litzler

Discussion none.

Vote – unanimous

Treasurer's Report – Tim Prieshoff

Submitted written report

Closed the account with Huntington Bank. Opened an account with Peoples Bank and got free checking due to our non-profit status. When Peoples was sold to Bank of Kentucky our account was transferred.

Motion to accept Rick Flick

Second – Dick Marable.

Discussion – None

Vote Unanimous

President Report

2002 was a very good year.

Tim Cline opened the floor for comments.

Larry Brown requested as many attendees as possible stay around after the elections.

John Rademacher wanted to know if the relationship between the NKSOA and the KHSAA has been completely repaired. Tim deferred the question to JD. JD reported he has not had any problems getting answers to questions or request for anything he needs. Dick Marable had contacted Rowland Williams regarding rule interpretations during the season last year and always got a response within 24 hours.

Assigning Secretary Report – John Dietz

Thanked the membership for cooperation.

Walton Verona will have a girl's varsity and junior varsity schedule.

JD wants to work with the new board to recruit former players.

JD will continue to use e-mail to get information to referees and wants referees to use email to send information. Schedules will be sent via e-mail as first choice and will require a return e-mail to accept games.

The State Referee Camp will be held in July. In the past in order to be considered to officiate state semi-finals or finals it was a requirement that you attend this clinic.

The NKSOA provided a 4th official on all post season games except 4 first round district games.

John Rademacher wanted to be sure we acknowledged a special thanks to Betty for her help during the season.

Game Evaluations-

Boy's coaches returned an evaluation on 80% of the games.

Girl's coaches returned an evaluation on 20% of the games.

JD will work to get the girls coaches to increase their evaluations.

Dennis Janson wanted to know about the referees getting feedback from the coaches evaluations.

JD reported the coaches agreed to release the information to the referees, but wanted a delay in the time the referee got the information to insure anonymity. Wants to get a committee to review the evaluations.
